To,
The Chief Registrar of Births & Deaths
(As per list 28 States/UTs)

Subject: Extension of period for insertion of the name in Birth Record – Amendment
in Rule 10 (1).

Sir/Madam,

You are aware that as per Section 14 of the Registration of Births and Deaths (RBD) Act, 1969, in cases where birth is already registered without a name, the parent or guardian of such child gives within the prescribed period information regarding the name of the child to the Registrar and thereupon the Registrar enters such name in the register and initial and date the entry. The prescribed period, as per Rule 10 of Model Registration of Births and Deaths Rules, 1999, is 12 months from the date of registration of birth. However, if the information is not provided during the aforesaid period of 12 months then the prescribed period, as per Rule 10 of Model Registration of Births and Deaths Rules, 1999, is 15 years from date of registration of birth, if birth is registered after commencement of Rules. In case, birth is registered before commencement of Rules, then prescribed period is 15 years from the date of commencement of Rules.

2. However, based on requests received from States, the prescribed limit of 15 years was extended by 5 years during 2014 and the extended period got over in most States by 31st December, 2019 or shortly thereafter. This office has now received requests from few States for extension of the prescribed period by five more years.

"Ensure Registration of Every Birth and Death"

3. In view of requests received from States and in order to address the problems being faced by the general public, it has been decided that in cases where the birth is already registered and the time period for insertion of name in the birth register is over, the prescribed time period may be extended by five more years. In this regard, you are hereby granted permission of Central Government as required under Section 30 (1) of the RBD Act, 1969 to amend the respective Rule 10 (1) accordingly and issue the requisite notification. A copy of the draft notification (in English and Hindi) is attached for your reference. You are required to take necessary steps in this regard on priority basis. Appropriate directions may be issued to the concerned registration authorities. This office may be apprised about the action taken in the matter along with the copy of notification and direction issued in this regard.

4. In this connection, it is also clarified that this extension should be treated as the last time relaxation as it would not be possible for this office to grant such extension again and again. You are also requested to give wide publicity to this extension so that the general public could take maximum benefit of this opportunity and get the name inserted in birth record where required.

Yours faithfully
